PETITION UNDER 37 C.F.R. 1.182

Mail Stop PCT  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450  
Attn: Office of the PCT Legal Administration

Dear Sir:

In response to the decision on the renewed petition under 37 C.F.R. 1.47(b) dated February 23, 2007, Applicant hereby petitions for revival under 37 CFR 1.137(b) to respond to this action.

The instant action notes that "the declaration executed by the inventor is not in compliance with 37 CFR 1.497, in that it fails to properly identify the inventor herein. Specifically, the declaration identifies the inventor as Robert Eric Montgomery, while the name of record for this inventor is Eric R. Montgomery." Applicant hereby submits a petition under 37 CFR 1.182 to correct the name of the inventor to that set forth in the declaration (i.e. Robert Eric Montgomery).

Accompanying this petition is a fee transmittal form. Please charge any other fee required for a complete response associated with this application to be charged to our deposit account number 50-3717.

### Background

This instant Application was acquired through an Asset Purchase Agreement, the rights to this Application were assigned to Assignee through the Assignment Agreement previously submitted.

After receipt of the Notification of Missing Requirements mailed on April 6, 2006, Applicant attempted on numerous occasions to secure R. Eric Montgomery's signature, and was not successful. Therefore, in response, Applicant filed a Petition on October 6, 2006, under 37 C.F.R. 1.47(b), to accept the international application without the signature of the sole inventor.

Subsequent to the receipt of the decision on the petition, Applicant was able to secure a properly executed declaration from the inventor (previously submitted).

### Petition for Correcting the name of the inventor under 37 CFR 1.182

Applicant respectfully petitions under 37 CFR 1.182 to correct the name of the inventor to that set forth in the declaration (i.e. Robert Eric Montgomery).

In support of this petition, Applicant hereby encloses a copy of the bibliographic page of a US application, claiming priority to the same provisionals as the instant PCT application, showing the sole named inventor as R. Eric Montgomery. As seen in the previously submitted declaration, the inventor signs his name as R. Eric Montgomery, R. being an abbreviation of Robert, as his full name is Robert Eric Montgomery, as is clearly showed in the declaration. The inventor's name was accidentally transposed during filing of this instant PCT application by the inventor's former representative. Since this is clearly an error that was unintentionally committed, Applicant respectfully requests that this petition to change the name of the inventor to correspond to the declaration be granted. Favorable action is respectfully requested.

If this paperwork is considered to be incomplete, the Patent Office is respectfully requested to contact the undersigned by telephone collect at 310-845-8501 in Culver City, California.
